

**Get The Best Of Both Beams With The New Light Cannon Combo Cover**  
*Spot & Euro Beams Merged Into One Cover For The Ultimate Beam Pattern!*

**August 20, 2015 Auburn, WA** – Vision X Lighting is excited to announce the availability of the new Spot/Euro Combo Cover for the LED Light Cannon series. This Combo Cover is the ultimate cover for those Light Cannon owners who love the incredible distance from their Cannon yet want more lighting in the peripheral zones. This unique cover completely transforms the Light Cannon allowing it to excel in any weather condition by utilizing one of the four available colors. Each Light Cannon Cover is made from unbreakable polycarbonate material that protects the Cannon from being damaged from debris and is available in Red, Blue, Yellow, or Clear.

Currently, these Combo Covers are available for the 6.7" LED Light Cannon with the 4.5" and 8.7" sizes arriving in the coming weeks.

### Spot/Euro Combo Cover Features:

- Retains 80% Of Standard Cannon Distance While Greatly Improving Peripheral Lighting
- Available In Clear, Blue, Red, Yellow Colors
- Protects Fixture From Dust & Debris
- 8.7", 6.7", 4.5" Covers Available
- Unbreakable Polycarbonate
