

**Vision X Lighting's Bright & Easy LED Light Kits for Dodge Ram 2500/3500**  
*100% Bolt-On with Plug and Play LED Fog Lights*

**May 1, 2014 Auburn, WA** – Vision X Lighting introduces bright and hassle-free LED lighting kits for 2009.5-2013 Dodge Ram 2500/3500 trucks. Not only do these 3.5" Optimus LED Fog Light kits shine up to 693' of usable light, they simply bolt-on the stock fog light location and use plug and play connectors with no drilling, no cutting and no wire splicing. Yep that's right, they plug into the OEM connector, can you say EASY? The Vision X Lighting Dodge Ram 2500/3500 LED Fog light kits are available in a Single kit (2 lights), Dual kit (4 lights) or Bracket-Only set.

Complete the lighting upgrade by adding Vision X Lighting's brightest 21" Xmitter Prime XP LED bar to the Ram's center bumper slot, by simply bolting it to the all-new Dodge Ram Bumper Light Bar Mount. The center mounted Xmitter Prime XP will provide superior distance with a smooth light pattern and is available in White LED color or Amber LED color for improved vision in fog or dusty

conditions. The Vision X Dodge Ram LED Bar mount kit includes the bolt-on bracket, LED light bar and wiring harness. Dodge Ram LED Light Bar bumper mount is also available separately.

Vision X Lighting's patented, premium LED lights feature an Extended Lifetime Ltd. Warranty to ensure the highest customer satisfaction.
