

LED Fog Light Upgrade Kit For Ford Superduty
Single Kit to Fit 1999 through Current 2014 Ford Superduty Trucks

**99-14 Ford Super Duty
DURA-410 Fog Light Kit**

October 9th, 2014 - Auburn, WA – Vision X Lighting adds Ford Superduty Fog Lights to its continually growing list of LED Vehicle Specific kits. This new kit provides an LED upgrade option for owners of 1999 to 2014 Ford Superduty Trucks. With direct light replacement installation this kit maintains factory appearance while providing increased light output. Installation requires no drilling or modifications to vehicle, installation is as simple as replacing the factory light.

Utilizing the DURA 4 LED Light, this kit produces 3,944 raw lumens, four times the light output of the factory fog lights. The Ford Superduty Fog Light Kit includes brackets, DURA-410 Lights (10 degree light) and plug and play connectors. Bracket and connectors are also available separately if you already have the lights or want a custom configuration.
