

## Vision X Lighting Releases New End Cap Mount for LED Light Bars

*More Versatility in LED Light Bar Mounting*

**April 9th - Auburn, WA** – Vision X Light Bars are now more versatile with the release of the brand new end cap mounts. By simply screwing in the new mounting bolts into the end caps of four different light bar models, mounting Vision X Lighting has never been easier.

The end cap mounting bolts are manufactured from steel, utilizing nylock bolts and shaker washer for a tight and secure fit. These bolts add additional mounting options for Vision X LED Light Bars, race tested and proven to stand up to the harshest conditions.

The Vision X End Cap Mounting Bolts have been fitted and tested to the following Light Bars:

- Xmitter Prime Xtreme: XIL-PX (5" – 50")
- Evo Prime: XIL-EP (5"-52")
- Xmitter Low Profile Prime Xtreme: XIL-LPX (5"-50")
- Xmitter: XIL- (4" – 52")

This mounting option is available as an accessory with the following part numbers:

Item Number	Part Number	Product Fit	Jobber
XIL-LPECM	9888811	Xmitter Low Profile	\$15.00
XIL-PECM	9889191	Xmitter Prime	\$15.00

		Evo Prime	
XIL-ECM	9888781	Xmitter	\$15.00

###

**About Vision X Lighting:**

*Vision X Lighting, located in Seattle, Washington, was established in 1997 with the mission to revolutionize the lighting industry. Since that time, Vision X Lighting has created one of the largest premium lighting offerings in the world with hundreds of products and applications. The military, border patrol, and even NASA have trusted Vision X Lighting on vehicles that cannot work with second best. Vision X Lighting has lead the lighting industry growing 759% in the past 3 years which placed them on the 2012 INC 5000 list at 503, 10<sup>th</sup> overall in manufacturing and 10<sup>th</sup> in the Seattle Washington area. Vision X Lighting's commitment to its customers, dealers and product is unsurpassed.* [www.visionxusa.com](http://www.visionxusa.com)
