

## **Extend Your DURALUX Applications With Flush Mounting Brackets**

Great For Reverse Lighting, Structural Applications and More!

**September 16th, 2015 Auburn, WA** – Vision X Lighting is excited to announce a professional mounting solution for the DURALUX Universal LED Work Lights thanks to new Flush Mounting Brackets. These Flush Mounting Brackets are made from steel to ensure that the bracket can withstand the same harsh applications that the DURA Series excels in.

The Flush Bracket is currently available for both the DURA-660 and the DURA-460. The popular 60° flood beam pattern will provide the perfect amount of light output for nearly any job. The new Flush Mount Bracket opens up the door for even more applications such as reverse lighting, structural lighting and more.

## Flush Mount Features:

- 4 & 6 High Output 5-Watt LEDs for 20 and 30 Total Watts
- Die-Cast Aluminum Housing With Steel Flush Bracket
- Allows For Professional Flush Installation
- Weatherproof Deutsch Connector
- Unbreakable Polycarbonate Lens
