

XP ROCK LIGHT KITS

ABOUT XP ROCK LIGHT KIT

The Vision X LED Rock Light Kits feature ultra bright colored Cree LEDs for the ultimate style lighting. Offered in a 4-light kit (UTV or Small Vehicle) or 6-light kit (Truck or 4-Door Jeep), each kit comes with a flat mount and tube mount base for each pod to aid in easy installation. The supplied control box allows for easy connection and wire routing without cutting and splicing each pod lead. Solid color pods available as singles with raw 2 wire leads (Not designed as replacement use with kits). Includes 4-year standard warranty.

XP Rock Light Kit Features:

- Ultra Bright Cree LEDs
- Flat and Tube Surface Mounting Hardware Included
- 4 or 6 Rock Light Pod Kits
- 5 Single Colors (Red, Blue, Green, White and Amber)
- Multi Color Kits include Color & Pattern Changing Remote Control
