LIGHTING SOLUTIONS

FOR ULTRA CLASS HAUL TRUCKS

Vision X Lighting offers a large increase in energy efficiency over older technologies while also increasing the safety and productivity of the working environment by producing 80% more light than traditional fixtures.

STAINLESS STEEL BRACKETS

Each fixture comes equipped with upgraded stainless steel trunnion brackets with integrated aiming markings and strengthened durability.

INCREASED PERFORMANCE

Vision X Lighting products achieve a long life span of 50,000+ hours.

ANTI-CORROSION

The marine grade polyester powder coating is designed for the exterior environment offering excellent long term light and weather resistance passing multiple chemical and durability tests.
